Chuck:

Thank you for your interest. At the present, the owners of the refinery have indicated that they are in bad financial condition and we are awaiting a government assessment of that condition. Additionally, they are trying to sell the facility to obtain the money to complete the cleanup and assessment activities. The EPA will be making a determination of its next steps after receiving the government assessment of the company. I will keep your information should we need your services.

Thanks

Gary Moore

---

Mr. Moore,

We would be interested in discussing with you, the demolition of the Falcon Refinery in Ingleside, TX.

Regards,

Chuck Driesbach  
Account Manager
